

A black and white photograph of Charlie Chaplin on a film set. He is wearing his iconic bowler hat, a dark suit, and a white shirt with a bow tie. He has a prominent mustache and is looking slightly to the left of the camera. He is holding a small object in his hands, possibly a prop. The background is filled with the complex metal structures of a camera on a tripod and other studio equipment. The lighting is dramatic, highlighting his face and the textures of his clothing.

de la mort
terrifie, mais
si le nouveau-né
avait conscience
de l'approche
de la vie,
il serait tout
aussi terrifié»*
